

Hayward Triangle Vacuum Head with Brushes

- Smooth, contoured shape for efficient vortex cleaning on straight aways and corners
- Molded of luxurious transparent Dural plastic. Lets you see through head when vacuuming
- Adjustable weight. Just add or remove internal weights to suit your preference. (Weights sold separately)
- 360 degree swivel hose connector for easy maneuverability and no hose tangling
- Easily cleanable, long wearing brushes.
- Connects to both 1 1/4 and 1 1/2 vacuum hoses
